Hello Finance Committee Team

I contacted the Mendocino County Treasures office and it appears that Sherry Shackmeyer is our contact there.

Julie, her assistant, is looking at her calendar and it appears Sherry will be available to come to our committee meeting on Sept 26 @ 1 pm (confirmation pending, but it looks good)

In order for Sherry to come fully prepared, it was asked if we could send over an agenda of items/questions that we would like clarification on.

If you could please assemble a list of questions and send them to me I can then forward them over to her office.

Thanks! and as always please give me a shout if you have any questions/concerns.

Have a great day!
