Festival(s) Update

RJ: Seafood and sips Brochure is at the printer and should be distributed by 1st of year. All events are posted on our website and the linkable pdf is live on the website. I am assisting with sparkling wine event. We have sold 60 tickets. I will be working on the wine competition next. Jamie and I will mc the crab cake cook off. Harvest events were

successful. Both The mushroom train and the mushroom celebration at Caspar community were well attended. The Caspar event had plans for next year.

JPC: there is a S & S radio ad that is currently running, we also have slated to run a new winter and events ad to go out on the radio. Mentioning lodging.

Holiday Promotions

RJ: we have a nice ad set going and we just sent out an email, collecting assets of all of the Holiday events,

JPC: radio ads and landing page was added. All tree lightings and events are happening all on the same day.

CD: thinks maybe we market it in the since of having a "Tree lighting day", also a mushroom symposium is happening second weekend in Dec.,

CD: Don't understand the Wine Video. Magic is Real is to have majestic and we have a lot of people in our videos and the magic age is 32

CB: Branding question

JG: Where can I see the videos?

RJ: Agrees with Cally, we will do better next time and look at our branding a little better.

CB: Branding, we had a couple canceled reservations thinking they are going to the town of Mendocino rather than Mendocino County. Because on our website it was deceiving.

JPC: They are going to our website and thinking our website is just the village of Mendocino? Change our website to "VisitMendocinoCounty.com"

RJ: When I say I'm going to Napa I don't say I'm going to "Napa County" and after research found out that most people don't use county when talking about it, its too much of a stacked logo

JG: Lack of awareness of the amount of time it takes to get everywhere

CD: how much control do we have on Book Direct on the look and field?

RJ: website is ran by Simple View, we cant change much but we can change how the filter breaks down. We can maybe put a county map on the website. Home, Play, Stay we have hyperlink a map.

AR: visitors are not aware of the area or how far everything is.
